

## License agreement regarding the use of the TanDEM-X Forest/Non-Forest Map data product

Hereby a license for the use of TanDEM-X Forest/Non-Forest (FNF) Map, as defined below, is made available for the public free of charge, but only for non-commercial and scientific purposes. A license for commercial use of TanDEM-X Forest/Non-Forest Map is not included therewith. A license for commercial use of TanDEM-X Forest/Non-Forest Map is to be purchased separately by the German Aerospace Center.

### License terms and rights of use:

#### 1. Definitions

- a) The TanDEM-X Forest/Non-Forest Map product was derived from the global TanDEM-X data base and has a pixel spacing of 50 m. The TanDEM-X Forest/Non-Forest Map product contains all data provided on the DLR delivery server, including all supplemental data and metadata.
- b) The German Aerospace Center (DLR) is the author and owner of the TanDEM-X Forest/Non-Forest Map.

Deutsches Zentrum für Luft- und Raumfahrt e.V.

German Aerospace Center (DLR)

Linder Höhe

51147 Köln

Germany

- c) Commercial use is marketing, especially the sale of TanDEM-X Forest/Non-Forest Map product or products generated or derived from the TanDEM-X Forest/Non-Forest Map product for the purpose of receiving a fee/remuneration. Each use of TanDEM-X Forest/Non-Forest Map product or products generated or derived from the TanDEM-X Forest/Non-Forest Map product is deemed to be a commercial use as far as the use is not free of charge.
- d) Scientific use is the use of TanDEM-X Forest/Non-Forest Map product or products generated or derived from the TanDEM-X Forest/Non-Forest Map product by public or private research organisations or researchers (i.e. universities, research institutes, governmental research organisations) for the purpose to gain academic research results and to present the results free of charge to the public.
- e) Non-commercial use means any use of the TanDEM-X Forest/Non-Forest Map product or products generated or derived from the TanDEM-X Forest/Non-Forest Map product, that is not commercial use and not scientific use. Each non-commercial use of TanDEM-X Forest/Non-Forest Map product or products generated or derived by TanDEM-X Forest/Non-Forest Map product has to be free of charge.
- f) The following licenses used to create the TanDEM-X Forest/Non-Forest Map must be quoted by the licensee:
  - i. Global Urban Footprint by DLR:  
[https://www.dlr.de/eoc/desktopdefault.aspx/tabid-11725/20508\\_read-47944/](https://www.dlr.de/eoc/desktopdefault.aspx/tabid-11725/20508_read-47944/)
  - ii. Global Surface Water by ESA:  
<https://maps.elie.ucl.ac.be/CCI/viewer/download.php>  
The present products are made available to the public by ESA and the consortium. You may use one or several CCI-LC products land cover map for educational and/or scientific

purposes, without any fee on the condition that you credit the ESA Climate Change Initiative and in particular its Land Cover project as the source of the CCI-LC database:

Copyright notice: © ESA Climate Change Initiative - Land Cover led by UCLouvain (2017)

Should you write any scientific publication on the results of research activities that use one or several CCI-LC products as input, you shall acknowledge the ESA CCI Land Cover project in the text of the publication and provide the project with an electronic copy of the publication ([contact@esa-landcover-cci.org](mailto:contact@esa-landcover-cci.org)).

If you wish to use one or several CCI-LC products in advertising or in any commercial promotion, you shall acknowledge the ESA CCI Land Cover project and you must submit the layout to the project for approval beforehand ([contact@esa-landcover-cci.org](mailto:contact@esa-landcover-cci.org)).

iii. GlobCover by ESA:

The GlobCover products have been processed by ESA and by the Université Catholique de Louvain. They are made available to the public by ESA. You may use the GlobCover land cover map for educational and/or scientific purposes, without any fee on the condition that you credit ESA and the Université Catholique de Louvain as the source of the GlobCover products:

Copyright notice: © ESA 2010 and UCLouvain

Accompanied by a link to the ESA DUE GlobCover website:

[http://due.esrin.esa.int/page\\_globcover.php](http://due.esrin.esa.int/page_globcover.php)

2. A non-exclusive, spatially and temporally unlimited, non-transferable, non-sublicensable right to use the TanDEM-X Forest/Non-Forest Map product is granted free of charge for scientific purposes and non-commercial purposes.

This license does not grant any commercial use of TanDEM-X Forest/Non-Forest Map product or products generated or derived from the TanDEM-X Forest/Non-Forest Map product.

The TanDEM-X Forest/Non-Forest Map may not be passed on to third parties or published.

3. The transfer of the TanDEM-X Forest/Non-Forest Map to third parties as well as its publication is forbidden. In case of cooperation of the Licensee with a third party and planned use of the original data by this cooperation partner, the Licensee undertakes to expressly inform his cooperation partner about the license for the use of the TanDEM-X Forest/Non-Forest Map data and to make it available to him. The Licensee commits himself to grant any kind of access to the provided TanDEM-X Forest/Non-Forest Map product only to its own employees.
4. In the event of any unauthorised use of the TanDEM-X Forest/Non-Forest Map product or products generated or derived from the TanDEM-X Forest/Non-Forest Map, the license is deemed not to have been given.
5. In publications based on the TanDEM-X Forest/Non-Forest Map the Licensee undertakes to clearly mark all data in such a way that the authorship and copyright of DLR is comprehensible to all:

“© DLR <year of data delivery>”

and to cite the following reference paper:

“Martone, M.; Rizzoli, P.; Wecklich C.; González, C.; Bueso-Bello, J.L.; Valdo, P.; Schulze, D.; Zink, M.; Krieger, G.; Moreira, A. The Global Forest/Non-Forest map from TanDEM-X Interferometric SAR Data. Remote Sensing of Environment 2018, 205, 352–373”.

Derived information must include a reference to the TanDEM-X Forest/Non-Forest Map as data source, regardless of the form in which it was created.

### **Liability / Warranty:**

1. TanDEM-X Forest/Non-Forest Map product is provided without any warranty.
2. The Licensee assumes full responsibility for the contractual use of the TanDEM-X Forest/Non-Forest Map.
3. The Licensee is liable to DLR for all damages, regardless of the legal reasons, caused through intent or negligence.
4. DLR may not be obliged to third parties by this Agreement. DLR only accepts liability for damages in the case of intentional or grossly negligent conduct. DLR's liability for negligence is limited to the foreseeable damage typically occurring with contracts of that kind. Liability for further damages is excluded. The Licensee indemnifies DLR in full against any claims by damaged third parties.

### **Termination**

1. DLR reserves the right to terminate the provision of the TanDEM-X Forest/Non-Forest Map to the Licensee and/ or the license to use the TanDEM-X Forest/Non-Forest Map at any time. The Licensee has the right to terminate the license at any time.
2. In the event of termination of the license, the Licensee is obligated to delete the TanDEM-X Forest/Non-Forest Map and all its copies and to confirm this in writing to DLR upon request.
3. The Licensee has no right to compensation or damages as a result of termination.

### **Miscellaneous**

Changes or additions to this license agreement are only effective if agreed in writing by both parties. This license is subject to the laws of the Federal Republic of Germany, to the exclusion of the United Nations Convention on Contracts for the International Sale of Goods.
